Syed Aman, Co-Founder and CEO

Before founding Hwy Haul, Aman was the Director of Supply Chain at Walmart where he successfully led and delivered various logistics and transportation products and brought them to scale. He was instrumental in laying the foundation of Walmart's online grocery platform and scaling it to a multi-billion dollar top line. Prior to that, Aman spearheaded warehouse automation and robotics implementations for various Fortune 200 companies in Europe, Asia and North America including GAP, Target, Samsung and Avery Dennison. Aman holds a Bachelor's degree from Indian Institute of Technology, Kanpur, India.

Sharan Grewal, Co-Founder and CTO

Passionate technologist with a go-getter attitude!

Sharan has held various Engineering leadership roles at @WalmartLabs before co-founding Hwy Haul. Sharan played a pivotal role in building massively scalable solutions for Walmart's online grocery, last mile delivery, pharmacy and photo verticals. Prior to Walmart, he led digitization of business processes for Wells Fargo Bank, Anthem Blue Cross Blue Shield, Wellpoint. Sharan holds a Masters Degree in Computer Science.

Zahed Khan, Co-Founder and COO

Zahed co-founded Hwy Haul following a 30 year career in produce and logistics. A serial entrepreneur and an ardent businessman, he built and exited multiple produce and trucking businesses after scaling to millions in annual revenue. Over the span of his career, Zahed has mastered building retail, wholesale, and logistics operations brick-by-brick, owning the end-to-end supply chain for some of the largest grocers in the country.
